

Grant County Middle School 7th Grade Required 2009-2010 School Year Supplies

I hope you are having a great summer! It is that time of year when we begin purchasing items for the upcoming school year. Here is a list of items that all 7th grade band students MUST purchase for the upcoming school year. Students need to bring in their order form with a check or cash (in an envelope with the student name on it) during the first week of school. At that point, I will order the items for you. They will take approximately one week to be delivered at Grant County Middle School. When they do, I will give them to the student. If you already have the following items because you have already purchased them last year, simply put a check in the box that states that you already have one. I will show all students how to use all the items that you are purchasing. If you have concerns or questions about these items, please feel free to contact me.

Woodwinds

Draw a check in the “order one” box if you included that item in your order and put a check in “already have one” if you did not include this in your order because you already have one.

STUDENT NAME _____
